

Indian Securitisation Foundation Supports ASIFMA's The Future of Liquidity in Asia Pacific Capital Markets Conference

Indian Securitisation Foundation is proud to be a Supporting Organisation of [ASIFMA's](#) The Future of Liquidity in Asia Pacific Capital Markets Conference.

Join industry participants in **Ritz Carlton Hong Kong, on 9 October 2026** for an insightful discussion on how liquidity is evolving across Asia's capital markets. ASIFMA is bringing together industry leaders to look at how liquidity is changing across Asia, from new trading technologies and AI, to shifts in regulation, market structure and collateral dynamics. This is your chance to hear directly from practitioners and policymakers on what's shaping liquidity today, and what's coming next for liquidity in Asia's capital markets. Register now to secure your place at discounted rates!

Early bird rates end on 17 July. Exclusive offer for our members: Use promo code XXXX4657 to enjoy a special members-only discount of up to 20% on registration.
